1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am an unhappy customer of the company that is the subject of this proceeding.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

The following points summarize the reasons of my protest:

The water and sewer service in Tega Cay is considerably overpriced. In addition, my overall customer customer service experience with Tega Cay Water Service is generally substandard.

The proposed increase in price of service would be the third significant increase in 6 years. Most recently, an 18% rate increase was awarded to TCWS in 2010; since then, no significant upgrades to our outdated system have been made. Based on the fact that I have not seen any improvement in quality of service over the aforementioned time period, I believe that another increase at this point is unnecessary to say the least.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? st

Due to a prior obligation, I will not be able to attend the hearing.
